I, David A. Blakey, Registered Professional Land Surveyor, do hereby certify that the plat shown hereon accurately represents the results of an on the ground survey made by me on May 28, 2001, and all corners are as shown. There are no conflicts or protrusions apparent on the ground except as shown. This survey was performed without the benefit of a current title report which may indicate easements or other encumbrances of record not apparent on the ground.
