Michael Anderson

Landowner,

Listed below is the total acreage approved for managed timberland in the county indicated for tax year 2014 by the West Virginia Division of Forestry:

Hampshire

40.81

The above acreage is the total of all acreage submitted for consideration in this county and based on figures determined by the county assessor. This information will be provided to the West Virginia Tax Department. Please note that a change in these acres may occur before the closing of the tax year by the county assessor. In this event, you will receive notification of the change.

Please find enclosed a copy of your original application for your files. Any future questions contact Jean Miller at (304-558-2788 Ext. 51773).

Sincerely,

A handwritten signature in cursive script, appearing to read "Jeremy McGill".
