PROPERTY DESCRIPTION

Julian Home Site 3+ Acres

Payson Dr.

Julian, CA 92036

INTRODUCTION & OVERVIEW

Excellent opportunity to enjoy the serenity of the mountains while being close to the historic mining town of Julian. This 3+ acre parcel features paved access to the site, a county approved septic layout for a 3-bedroom home, power and water. Enjoy breathtaking sunsets and views to the ocean on a clear day.

NATURAL SETTING

Topographically, the property is varied. Gentle slopes lead from the road to the side and rear of the property. A wealth of native flora is found throughout the property. Wildlife is abundant in the area: deer and turkey roam freely, while raptors and other rare species of animals can be found here because of the abundance of water and cover. A variety of birds make this area home including Hummingbirds, Wood Peckers and Blue Jays.

AREA INFORMATION

The Julian area is a well known get-a-way for city residents from all over Southern California. Tourism is now the primary draw, replacing the mining interests when Julian's population rivaled that of the City of San Diego. There are many fine restaurants and lodging accommodations in the immediate area of this centrally, yet privately located property. Major shopping and resources are no more than 35 minutes away.

RECREATION AND LIFESTYLE

There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing at Warner's Ranch and Borrego Springs, hunting and fishing, dining, and a variety of other opportunities for each family member. The Santa Ysabel Open Space Preserve offers excellent riding trails connecting the Santa Ysabel, Wynola, and Julian communities. The famous Hale Observatory on Palomar Mountain is less than 30 minutes away.
