<b>ESTIMATED TOTAL<sub>6</sub></b>			<b>\$3,342.5</b>

The following footnote references apply only if the table above has a foot number reference.

1. Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
2. Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <https://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
3. County Property Tax is the sum of the General Fund tax and several special fund taxes.
4. All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
5. This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the FAQ section of this website.
6. You must update the estimate for the property taxes and other non-tax charges
  - a. Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change; AND ALSO
  - b. In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
7. This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the FAQ section of this website.
8. The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
9. This is a one time charge assessed against this property and is not an annual fee. It should be paid before the property is sold and will remain due until paid.

### Agricultural Reserve (AR) Zone Disclosure Notice

This Notice dated \_\_\_\_\_, made by Behzad M. Bashiri, Mehri Taimournejad Bashiri Seller, regarding property described as: Address 15707 River Road, City Darnestown, State MD Zip 20874.

**NOTICE TO BUYER:**

Sellers of Montgomery County, MD properties that are located in, adjoin or confront an area that is zoned agricultural must make certain disclosures to potential Buyers, prior to entering into a Contract for the sale and purchase of that property. These disclosures are made in order to advise potential Buyers that existing County and State Laws are intended to discourage owners of real property adjacent to agricultural-zoned land from filing certain lawsuits against an owner or operator of an agricultural use in those areas. For additional information [http://www.parksshowidol.com/notification/agricultural\\_lands.html](http://www.parksshowidol.com/notification/agricultural_lands.html). The required disclosure provides;

As required under Montgomery County Code Section 40-12B, you are hereby notified that the State of Maryland and Montgomery County have enacted laws that establish agriculture as the preferred use on land zoned Agricultural Reserve (AR) and as a permitted use in other agricultural zones, as defined in Section 59-C-9.1of the County Code. The property subject to this Contract is located in, adjoins or confronts an area zoned agricultural. Residents and other occupants of property near land in agricultural zones should be prepared to accept effects of usual and customary agricultural operations, facilities and practices, including noise, odors, dust, smoke, insects, operation of machinery, storage and disposal of manure, unusual hours of operation, and other agricultural activities.

Under Maryland law, an agricultural operation is not a nuisance, and a lawsuit may not be successful alleging that an agricultural operation interferes with the use or enjoyment of other property, if the agricultural operation;

- 1) Has continued for at least one year;
- 2) Complies with applicable health, environmental, zoning, and permit requirements; and
- 3) Is not conducted negligently.

County law may provide additional protections for agricultural uses on agricultural-zoned land. For Further information contact the Montgomery County Department of Economic Development.

The undersigned Seller has executed this Disclosure for the purpose of advising potential Buyers of the provisions of County Code Section 40-12B

## Understanding Whom Real Estate Agents Represent

### THIS NOTICE IS NOT A CONTRACT

*In this form "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease"*

#### Agents Who Represent the Seller

**Seller's Agent:** A seller's agent works for the real estate company that lists and markets the property for the sellers and exclusively represents the sellers. A Seller's agent may assist the buyer in purchasing the property, but his or her duty of loyalty is only to the sellers.

**Subagent:** A Subagent means a licensed real estate broker, licensed associate real estate broker, or licensed real estate salesperson who is not affiliated with or acting as the listing real estate broker for a property, is not a buyer's agent, has an agency relationship with the seller, and assists a prospective buyer in the acquisition of real estate for sale in a non-agency capacity. The subagent works for a real estate company different from the company for which the seller's agent works. The subagent can assist a buyer in purchasing a property, but his or her duty of loyalty is only to the seller.

**If you are viewing a property listed by the company with whom the agent accompanying you is affiliated, and you have not signed a Buyer Agency Agreement and a "Consent for Dual Agency" form, that agent is representing the seller**

#### Agents Who Represent the Buyer

**Buyer's Agent:** A buyer may enter into a written contract with a real estate broker which provides that the broker will represent the buyer in locating a property to buy. The agent from that broker's company is then known as the buyer's agent. The buyer's agent assists the buyer in evaluating properties and preparing offers and developing negotiation strategies and works in the best interest of the buyer. The agent's fee is paid according to the written agreement between the broker and the buyer. If you as a buyer wish to have an agent represent you, you must enter into a written buyer agency agreement.

#### Dual Agents

The possibility of **dual agency** arises when the buyer's agent and the seller's agent both work for the same real estate company, and the buyer is interested in property listed by that company. The real estate broker or the broker's designee, is called the "dual agent." Dual agents do not act exclusively in the interests of either the seller or buyer, and therefore cannot give undivided loyalty to either party. There may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

**If both seller and buyer agree to dual agency** by signing a Consent For Dual Agency form, the "dual agent" (the broker or the broker's designee) shall assign one agent to represent the seller (the seller's "intra-company agent") and another agent to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategies.

If either party does not agree to dual agency, the real estate company must withdraw the agency agreement for that particular property with either the buyer or seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate broker/company. If the buyer's agreement is terminated, the buyer may choose to enter into a written buyer agency agreement with a different broker/company. Alternatively, the buyer may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company.

No matter what type of agent you choose to work with, you have the following rights and responsibilities in selling or buying property:

>Real estate agents are obligated by law to treat all parties to a real estate transaction honestly and fairly. They must exercise reasonable care and diligence and maintain the confidentiality of clients. They must not discriminate in the offering of properties; they must promptly present each written offer or counteroffer to the other party; and they must answer questions truthfully.

>Real estate agents must disclose all material facts that they know or should know relating to a property. An agent's duty to maintain confidentiality does not apply to the disclosure of material facts about a property.

>All agreements with real estate brokers and agents must be in writing and explain the duties and obligations of both the broker and the agent. The agreement must explain how the broker and agent will be paid and any fee-sharing agreements with other brokers.

>You have the responsibility to protect your own interests. You should carefully read all agreements to make sure they accurately reflect your understanding. A real estate licensee is qualified to advise you on real estate matters only. If you need legal or tax advice, it is your responsibility to consult a licensed attorney or accountant.

Any complaints about a real estate licensee may be filed with the Real Estate Commission at 500 North Calvert Street, Baltimore, MD 21202. (410) 230-6205
