

Permit #548

BEAVERHEAD COUNTY
ON-SITE WASTEWATER TREATMENT SYSTEM PERMIT

P6 - 2/6/95
548-96C

COMPLETED

PERMIT NO. _____

Beaverhead County Environmental Health Department
2 South Pacific---CL Box #7
Dillon, Montana 59725

Phone : (406) 683-4868

Permission is hereby granted to install an on-site wastewater treatment system on the property

owned by ROSEANA CAMPBELL - RED ROCK RV PARK
PROPERTY OWNER

and located at : 505 Sunset West Road
PROPERTY ADDRESS

in the 20 Section, Township 10 S, Range 10 W, of Beaverhead county, Montana.

This system shall be installed in accordance with current Department rules governing the on-site treatment of wastewater, and the minimum construction requirements and special requirements provided for in this permit. This permit is issued, based on the information provided in the permit application. If any of this information is found to be incorrect, or if the system is not installed as provided for, this permit shall be rendered null and void.

PERMIT ISSUED BY: [Signature] RS DATE: 7/11/96

Type and size of system: 1000 gallon Septic Tank -
500 Linear Feet of Drainfield in 5 laterals -

INSTALLER: Self Phone No.: _____

INSPECTION :

1. A final inspection or specified written and photographic documentation is required prior to covering the completed system. The applicant or contractor shall notify the Health Officer or his designee not less than eight (8) working hours prior to completion. If the inspection cannot be made within forty-eight (48) working hours of notification the owner may cover-up the system without final inspection; however written and photographic documentation of the installation is still required.

THIS IS TO CERTIFY THAT the plans and supplemental information relating to the recreational vehicle park known as Red Rock RV Park consisting of five (5) spaces, located in Beaverhead County, Montana, have been reviewed by personnel of the Water Quality Division, and,

THAT the documents and data required by Section 76-4-101 through 76-4-131, and 50-52-101 through 50-52-131, MCA 1979 and the rules of the Department of Environmental Quality made and promulgated pursuant thereto have been submitted and found to be in compliance therewith, and,

THAT the approval of the plans of said recreational vehicle park is made with the understanding that the following conditions shall be met:

THAT the RV space sizes as indicated on the plans to be filed with the county clerk and recorder will not be further altered without approval, and,

THAT the multiple family water system and sewage disposal system will be provided by Red Rock RV Park, and,

THAT the subsurface drainfield shall have an absorption area of 475 lineal feet of (2 feet wide trench) per disposal trailer space, and,

THAT the bottom of the drainfield shall be at least four feet above the water table, and,

THAT no sewage treatment system shall be constructed within 100 feet of the maximum highwater level of a 100 year flood of any stream, lake, watercourse, or irrigation ditch, nor within 100 feet of any domestic water supply source, and,

THAT plans for the proposed water and individual sewage treatment systems will be reviewed and approved by the Beaverhead County Health Department before construction is started, and,
