Section 8. Date of Commencement of Annual Assessment: Due Dates. The annual assessments provided for herein shall commence to accrue at the time title to the Lot is transferred from the Declarant, his successors or assigns, to an Owner, which for purposes of this provision shall include any builder, even though a builder intends to acquire the Lot solely for construction of hangar for resale, and shall be prorated on a daily basis for the number of days remaining in the calendar year. Thereafter, each calendar year shall constitute the annual assessment period. The first annual assessment shall be based upon an estimate of the operating expenses for the year plus adequate reserve for anticipated expenses. In the event this assessment proves insufficient to satisfy such expenses, the Board shall levy a supplementary assessment in the amount of the deficit. The lien of all assessments provided for herein and all assessments, late fees, interest, costs, expenses and attorneys' fees secured by the lien shall be subordinate to the lien of any first Mortgage recorded prior to the time of recording the claim of lien by the Association. However the sale or transfer of any Lot pursuant to foreclosure of the first mortgage, or any proceeding in lieu thereof or the acceptance of a deed given in lieu of foreclosure of the first mortgage, shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. The extinguishing of the lien shall not affect the personal liability of the Owner at the time such assessment came due for payment of same. No sale or transfer shall relieve such Lot from liability for any assessment coming due after such sale or transfer or from a lien therefore. No provision of this Section 10 may be amended without the joinder of all record owners of first mortgages encumbering lots within the Property. However, any such delinquent assessments which were extinguished pursuant to the foregoing provisions may be reallocated an assessed to all Lots.

### RUNWAY USE AGREEMENT

THIS RUNWAY USE AGREEMENT is hereby agreed to this, \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_, between GRASS ROOTS FLYERS, L.L.C. (hereafter "Runway Owner" or "Airport Manager") and \_\_\_\_\_, purchaser of Hangar Lot \_\_\_\_\_ (hereafter, collectively, "Hangar Owner", "Hangar Lot Owner" or "User") of Low & Slow Flying Club at Grass Roots Airpark, Lake County, Florida.

The above stated parties do hereby agree to the terms and conditions and rights of use as stated below:

A) Ownership, and Usage of Runway:

Tract "B", as depicted on the attached Exhibit A, is owned by Grass Roots Flyers, L.L.C. It includes the runway, the east and west 65-foot wide shoulder/back-taxi land adjacent to the runway, and the land on the north and south approach ends of the runway. This tract is managed and maintained by Grass Roots Flyers, L.L.C. Hangar Lot Owners are granted use of the runway, subject to the rules and conditions set forth in this Runway Use Agreement and subject to the payment of the runway User fees. Hangar Lot Owners and/or The Low and Slow Flying Club Hangar Owner's Association are not owners or partial owners of the runway, clubhouse, or any property contained in Tracts "A" or "B", except for their individual lots, and accrue no legal rights, actual, prescriptive or implied, to such runway, clubhouse, or any property beyond that granted in the Runway Use Agreement.

This Runway Use Agreement shall pass with the title to every lot, provided that all fees are paid current and the Hangar Lot Owner is not in violation of its terms and conditions. The runway shall remain in perpetuity, for the purposes of conducting normal aircraft operations, unless the Property or such use is otherwise restricted by government authority or by acts of God. This Runway Use Agreement shall continue in perpetuity should this Tract "B" be sold or otherwise conveyed to a new Owner. In the event that the Runway Owner, or future Owner, should decide to sell Tract "B", the Grass Roots Airpark Homeowners Association will be granted a 30 day first right of refusal to purchase it at the offered price.

B) General

1) Aviation activities clause:

All Lot Owners at Low & Slow Flying Club acknowledge they are aware that this is an airport with rental hangars and is a fly-in community. Purchasers hereby waive any objection to normal aircraft operations. This waiver of objection shall continue with the land and be binding on all future Lot Owners.

2) Insurance

- a) Any registered aircraft owner must carry a minimum of five hundred thousand dollars (\$500,000.00) liability insurance policy on each airplane. This amount may be subject to adjustment for inflation or other reasons. The policy shall remain in force at all times. A copy of the current certificate of the required insurance coverage shall be filed with the Airport Manager at such time as the airplane becomes the property of or is used by the Lot Owner. The certificate shall be updated and filed upon renewal each year. Airplanes being constructed or restored, not operable under their own power (including taxiing), and which are contained within an enclosed hangar, shall be exempt from these insurance requirements.
- b) Lot Owners agree to be bound by and to abide by the terms, provisions and limitations of any airport insurance policies on Tracts "A" or "B", as described herein.

C) Rules and Operating Procedures:

The rules and operating procedures will be as established by the F.A.A., F.D.O.T., and/or any other applicable governmental agency, and by the Airport Manager for the purposes of establishing and maintaining safe, predictable, and harmonious use of the Grass Roots Airpark facilities. The Airport Manager may make modifications, deletions, additions or amendments to these procedures and guidelines. The following rules apply:

- 1) All aircraft operations shall be consistent with and not in violation of FAA and all other government regulations.
- 2) Grass Roots Airpark is a private use facility, available for use by hangar owners, home owners, hangar tenants, tie down tenants, and invited guests. Invited guests may not use the airstrip on a regular or permanent basis, nor shall they have a standing invitation for usage. Hangar Owners may not rent or allow usage of their hangar or grounds by non-owners without the approval of the Airport Manager. Renters or other users of the hangar or space in the hangar will be required to sign a liability waiver with the Runway Owner prior to using the runway. Hangar Owners shall be responsible for the actions of their guests and shall inform their invited guests of the rules and operating procedures. The Airport Manager reserves the right to deny use of the facilities, including the runway, to Lot Owners or their invited guests who do not abide by the rules and operating procedures.
- 3) Grass Roots Airpark facilities shall be used only for lawful purposes.
- 4) The Airport Manager reserves the right to establish traffic and safety rules for the handling of aircraft in the traffic pattern and on the ground. Traffic pattern, altitude, and monitoring radio frequency will be determined, and notice will be given to all Lot Owners and hangar tenants. These procedures should be followed for all operations.
- 5) The runway shall be used for daytime V.F.R. operations only.

- 6) No commercial or business use of the runway or hangars is permitted. The following usages are specifically prohibited by Lake County adopted P.U.D. Ordinance.
    - No charter or for hire flights.
    - No airport based flight training.
    - No brokerage or retail sales of aircraft.
    - No commercial sales.
    - No maintenance or repair stations.
  - 7) Aircraft size shall be limited to a maximum of 5,500 pounds gross weight, as designated by the manufacturer. Smaller gross weight aircraft may be disallowed if determined by the Airport Manager to cause damage to the runway due to gear size or other configuration. Larger size aircraft may be allowed, by special approval of the Airport Manager, if determined to not cause damage to the runway.
  - 8) Runway and taxi areas may be used only for normal aircraft operations. Use for other recreational activities is prohibited. Motor vehicles, except for approved maintenance vehicles, are prohibited from using the runway or shoulders. Pets and children not accompanied by a responsible adult are prohibited from the runway and shoulders at all times.
  - 9) The runway shall not be used by jet or turbine powered aircraft. Runway may not be used to tow gliders or hang gliders. Hot air balloons may not be launched from the runway, taxi shoulders or approach zones, or launched in such a manner so as to cross these areas. Parachuting or skydiving is not permitted. Radio controlled aircraft are allowed, except for on or above the runway or in any areas used by manned aircraft.
  - 10) The Airport Manager reserves the right to temporarily close the runway for maintenance or repairs or if determined unsafe for normal operations without incurring liability due to loss of use.
  - 11) Users and their invitees shall not damage, misuse or abuse airport property in any manner. Further, Users and their invitees shall comply with all reasonable requests of Airport Manager regarding operation and use of the airport facility.
- D) Use and ownership of Clubhouse and Guest Aircraft Parking Area:
- 1) Tract "A", as depicted on the site plan, attached as Exhibit A, is owned and maintained by Grass Roots Airpark Properties, Inc. It includes the rental hangars, open land, guest aircraft parking area, clubhouse and clubhouse parking, caretaker's residence, storm water retention areas, and Whistling Wire Lane. Hangar Lot Owners and/or Low & Slow Flying Club Hangar Owner's Association have no ownership or rights of use to this land except for use of the guest aircraft parking area and the clubhouse as allowed by this Runway Use Agreement. Whistling Wire Lane drive access to hangar lots is granted by easement as per the recorded plat.

- 2) Hangar Lot Owners and their invited guests may use the clubhouse and guest aircraft parking area for gathering and recreational purposes during normal daytime hours of operation, subject to rules as established by the Airport Manager.
- 3) Parties and fly-ins, which are hosted by a Hangar Lot Owner, must be scheduled with the Airport Manager. A cleaning fee may be charged to the host for these events. Private parties, or parties and fly-ins by invitation only, must consider that other users of the facilities will have rights of use during such events.
- 4) The Airport Manager reserves the right to deny use of these facilities to Hangar Lot Owners or their invited guests who do not abide by the rules or who do not respect the airport property or reasonable requests of the management.

E) Usage Fees

- 1) Each Lot Owner is required to pay a fee for use privileges of the runway and clubhouse. Payment is required regardless of whether Lot Owner actually uses the facilities or not. Annual invoicing for this fee will be mailed in January for the upcoming year. It will be estimated based on previous year expenses and known expenses for the upcoming year. Payment is due within 2 weeks of invoice.
- 2) The purpose of this fee is to cover the costs of maintenance, mowing, insurance, property taxes, fertilizing, irrigation, pest and weed control, repairs, rental of maintenance equipment, labor, and other operating expenses associated with Tract 'B' (the runway and shoulder/taxi-ways). A 20% fee will be added for right of way and retention ponds maintenance and for use privileges of the clubhouse. Also, a fee of ten percent (10%), as compensation for management duties, will be added to the above total.
- 3) The runway use fee will be calculated using the following formula:  
Actual expenses, as listed in Item 2 above, plus the 20% fee and 10% fee as listed above, then divided by 36. The amount will vary from year to year.
- 4) All maintenance equipment is owned and maintained by Grass Roots Airpark Properties, Inc. or Grass Roots Flyers, L.L.C. A rental fee for this equipment will be charged according to the debt service, maintenance, repairs, and operation expenses of this equipment. Neither the Hangar Lot Owners, nor Grass Roots Airpark Homeowners Association, nor Grass Roots Estates Homeowners Association nor Low & Slow Flying Club Hangar Owner's Association, have any ownership interests in this equipment or rights of use beyond that stated in the Runway Use Agreement.

F) Indemnity

User agrees to release, indemnify and hold harmless, David Gay, Ann Gay, Grass Roots Airpark Properties, Inc. and Grass Roots Flyers, L.L.C., its officers and employees from and against any and all liabilities, damages, business interruptions, delays, losses, claims, judgments, of any kind whatsoever, including

all costs, attorney's fees, and expenses incidental thereto, which may be suffered by, or charged to, Runway Owner by reason of any loss of or damage to any property or injury to or death of any person arising out of or by reason of any breach, violation, non-performance or negligence by User or its servants, employees or agents of any covenant or condition of the Agreement or by any act or failure to act of those persons. Runway Owner shall not be liable for its failure to perform this Agreement or for any loss, injury, damage or delay of any nature whatsoever resulting there from caused by an Act of God, fire, flood, accident, strike, labor dispute, riot, insurrection, war or any other cause beyond Runway Owner's control.

G) Disclaimer of Liability

Runway Owner hereby disclaims, and User hereby releases David Gay, Ann Gay, Grass Roots Airpark Properties, Inc. and Grass Roots Flyers, L.L.C. from, any and all liability, whether in contract or tort (including strict liability and negligence) for any loss, damage or injury of any nature whatsoever sustained by User, its employees, agents or invitees including but not limited to personal injury or death, loss, damage or injury to the aircraft or other property of User, in conjunction with use of airport facilities, unless such loss, damage, or injury is caused by Runway Owner's gross negligence. The parties hereby agree that under no circumstances shall Runway Owner be liable for indirect, consequential, special or exemplary damages, whether in contract or tort (including strict liability and negligence), such as , but not limited to, loss of revenue or anticipated profits, or loss of use, diminution of value or other damage related to the use of any airport facilities.

H) Enforcement/Suspension/Revocation

- 1) Enforcement of this Runway Use Agreement shall be by written notification from the Airport Manager as deemed necessary by the Airport Manager; provided, however, that the Airport Manager may enforce this Runway Use Agreement, including but not limited to suspension or revocation of Runway Use Agreement privileges, immediately and without written notice in the event of any violation which jeopardizes or endangers property or persons.
- 2) Any fees due under this Runway Use Agreement shall be maintained current by all Hangar Lot Owners, and any late payments shall accrue interest at the maximum rate allowed by law. Owner/User specifically recognizes and agrees that Grass Roots Flyers, L.L.C. shall have the right to file a lien upon any hangar and/or hangar lot in which the Owner/User is delinquent for more than three (3) months in paying the Runway Use Fees. Such liens may be enforced and/or foreclosed pursuant to this Declaration and Chapters 617 and 713, Florida Statutes.

This Runway Use Agreement shall run with the land and shall be binding on all successors, assigns, heirs and purchasers of the Lots; provided, however, the privileges remain subject to the terms and conditions of this Runway Use Agreement, including timely payment of all fees due.
