NOTES

Access easement and utility easements are proposed.

This survey was done with a limited title search for the subject property and adjoining properties. No easements located during research for subject property at the time of survey other than shown. Other easements and utilities may exist under and/or across subject property. Only visible appurtenances of utilities were located at the time of survey.

The surveyor did not abstract the surveyed property. This survey was performed without the benefit of a current title abstract.

No apparent FEMA Flood Study performed in this area per FEMA.gov website. Site falls within unmapped zone.
