

FOR SALE

Property located 3 miles south of Nebraska line on Road 11 in Norton County, Kansas.

600 Acres of Farmland Norton County, Kansas

Here's your chance to own hunting property. This property is the typical western Kansas big buck producer. Numerous coveys of bobwhite quail are frequently scattered on the property in the lush grass and thick fence lines.

With good soils and adequate lay, there's additional investment opportunities with 340 acres already broke for farming.

\$2,000,000
